

Market based, strategically driven

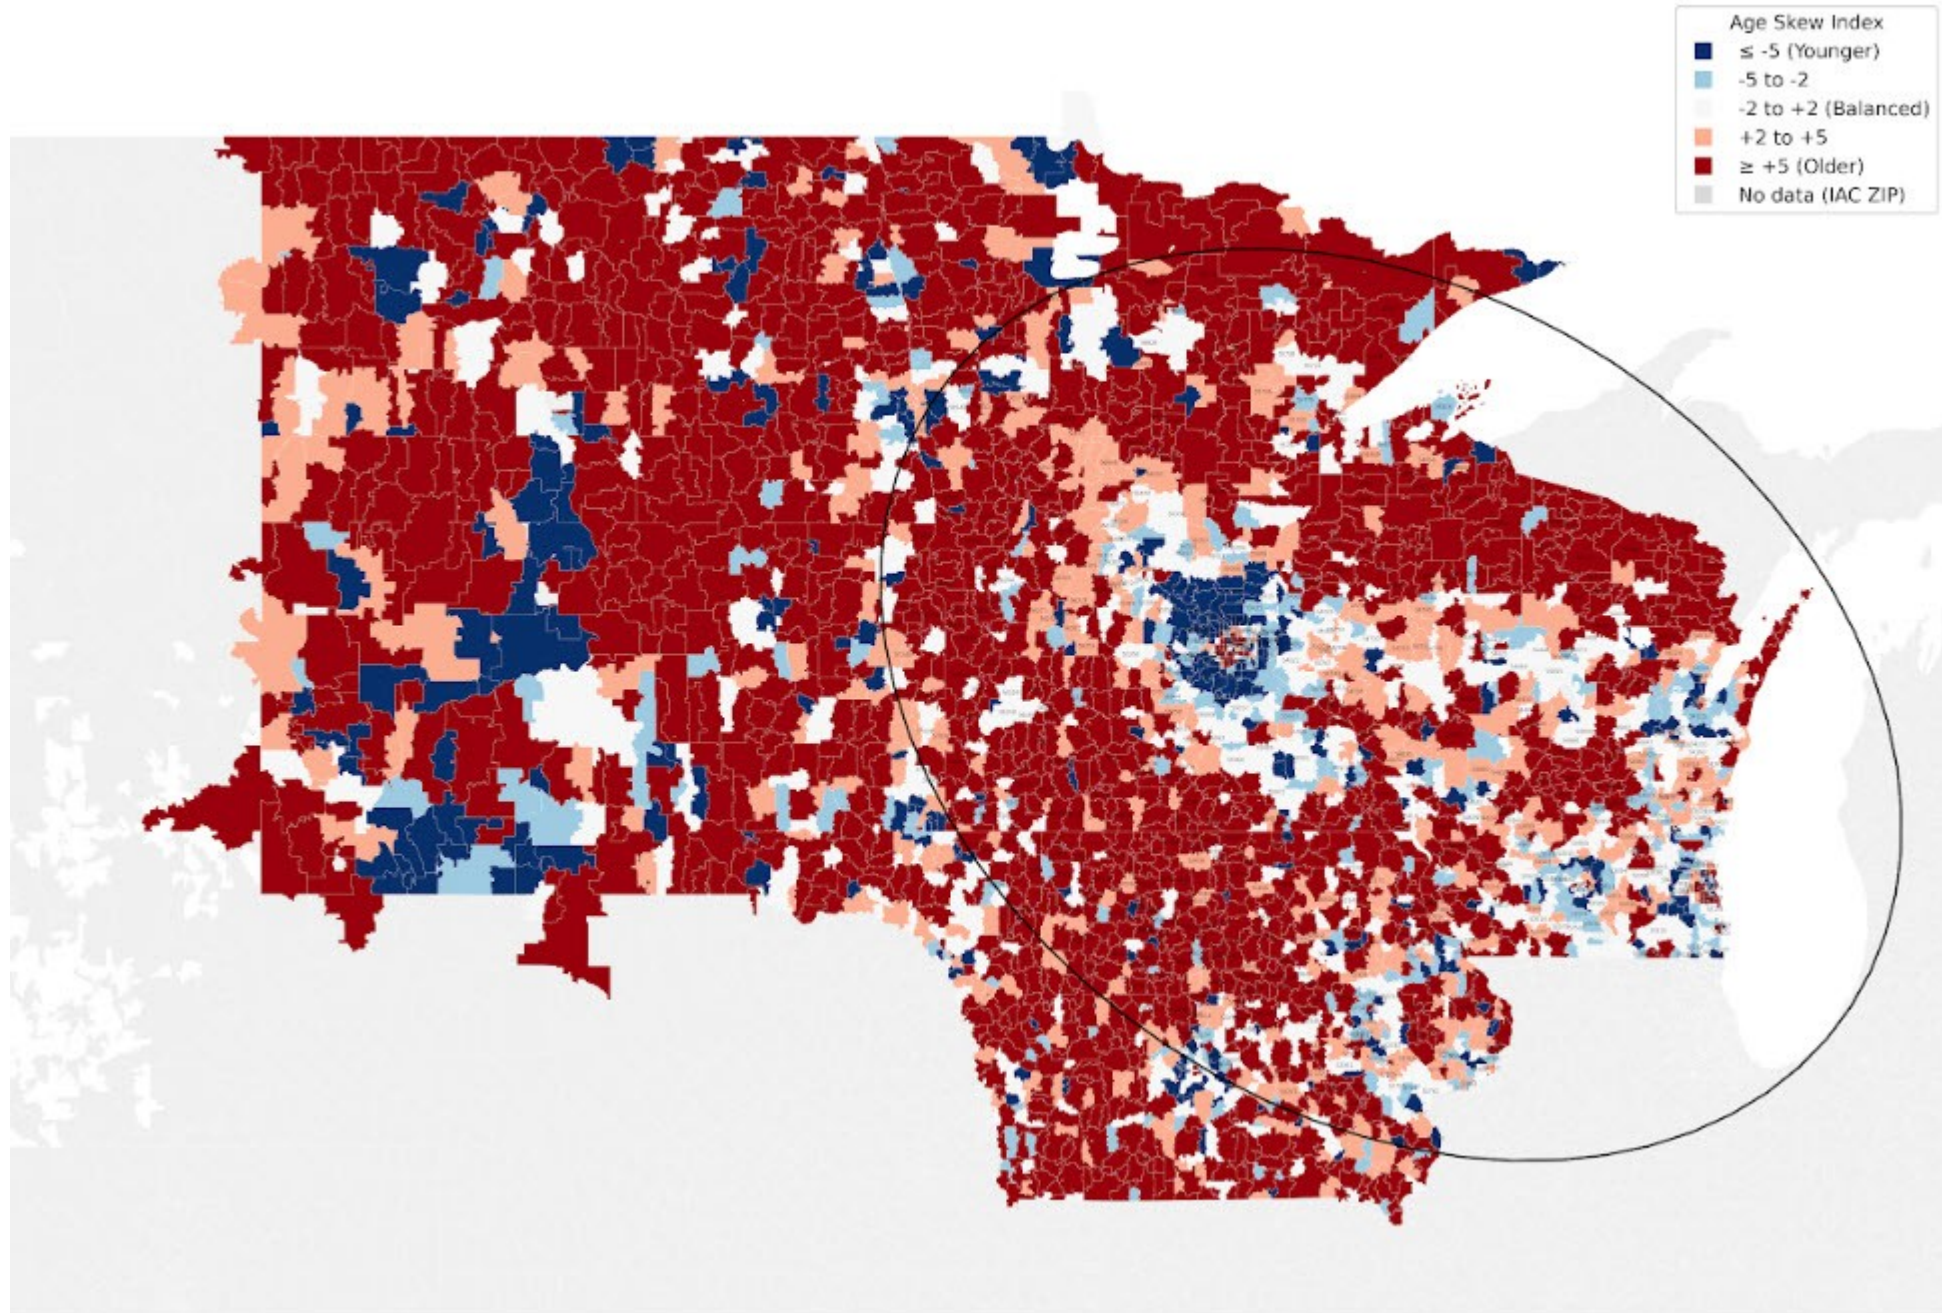

The following trend slides automatically advance, watch what happens in the arrowhead and metro areas.

The slides indicate if the individual zip codes are getting younger (blue) or older (red) over the three census datasets 2000 to 2020.

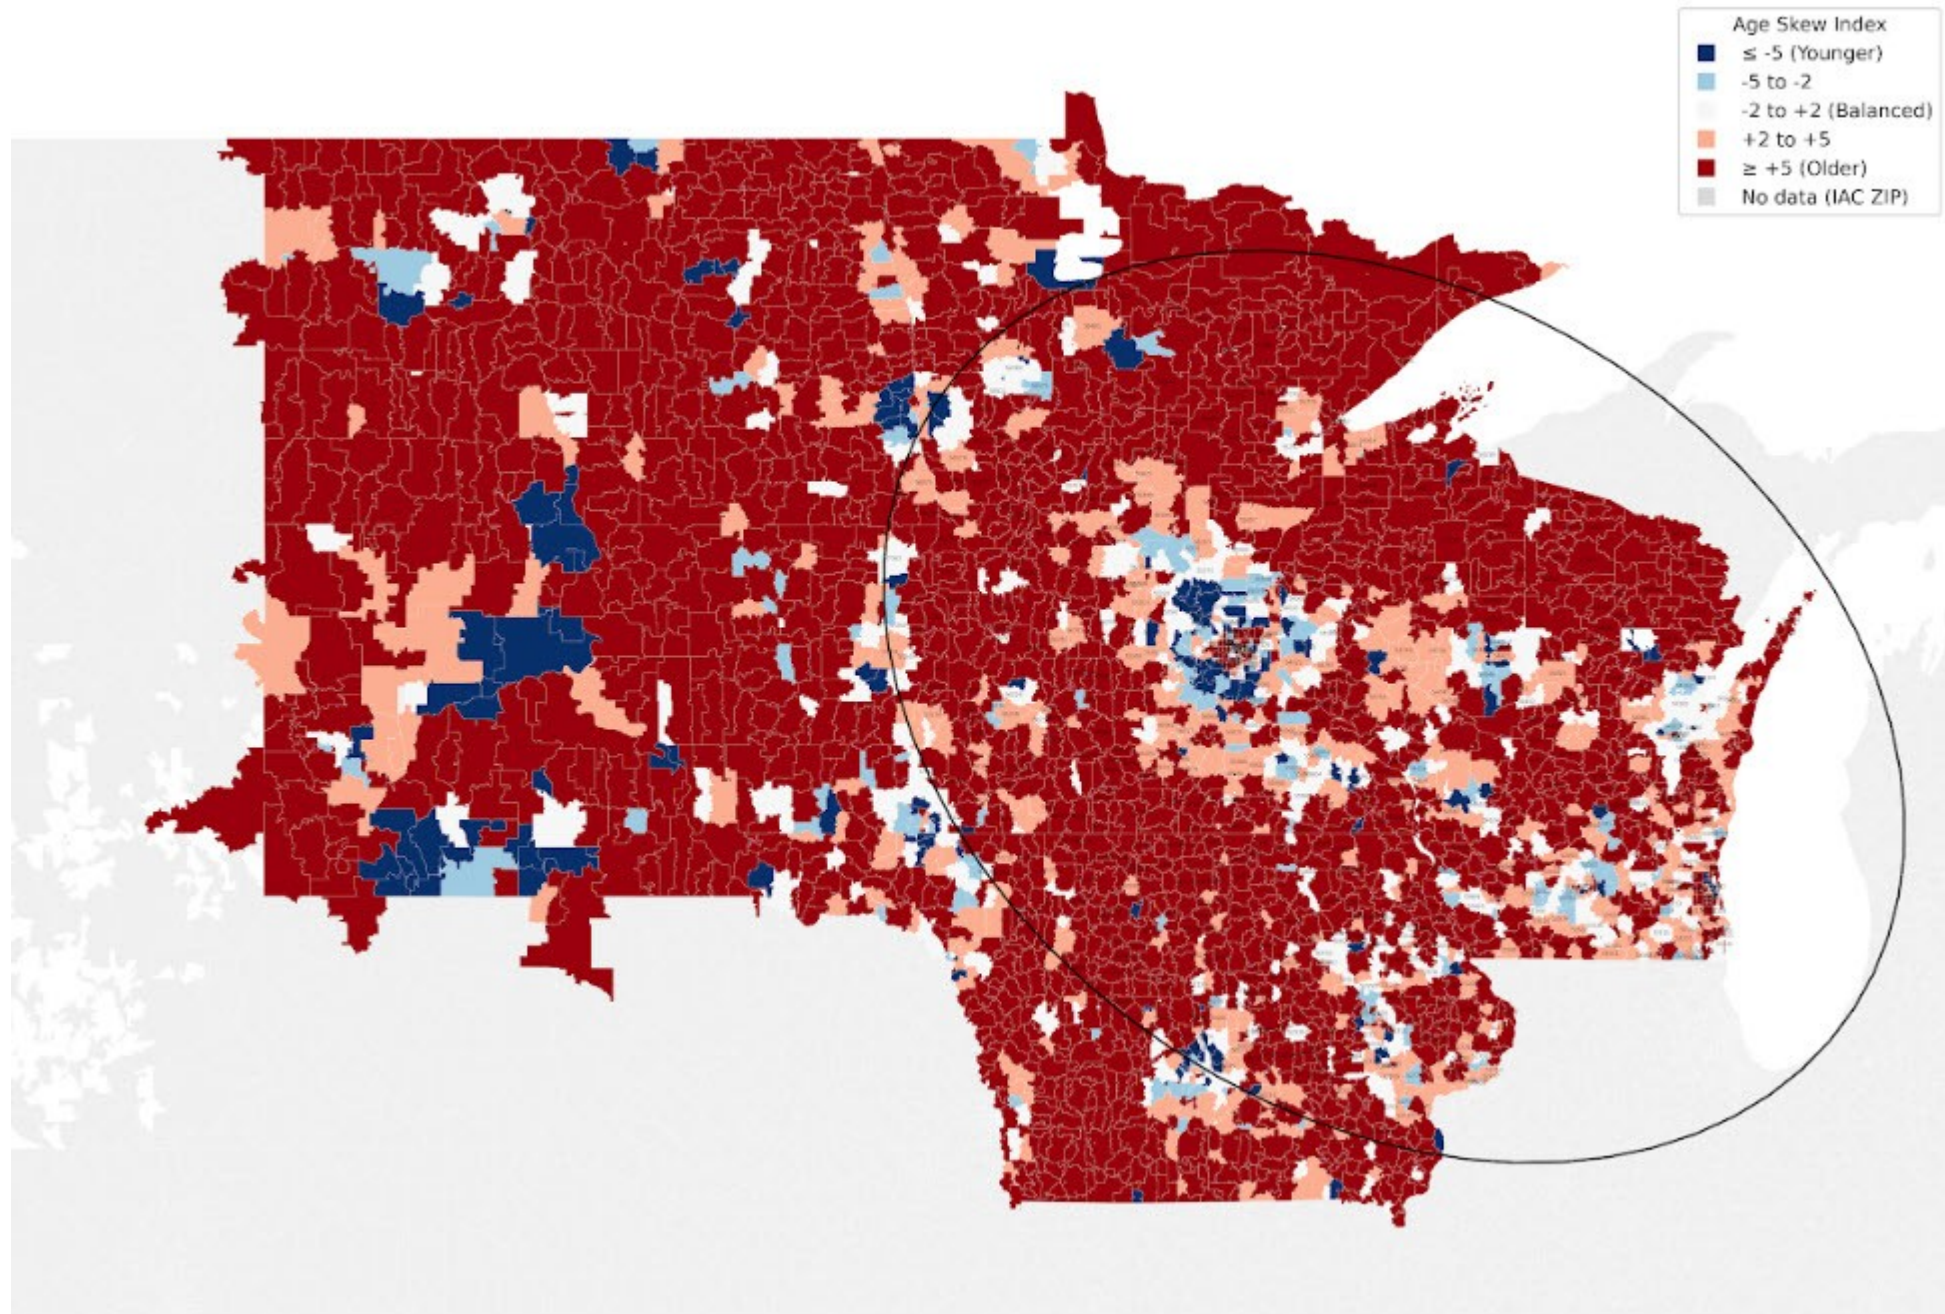

IAC AGE CURVE

IAC • ASI by ZCTA • 2000 (Young=Blue, Old=Red)

And expands!

And expands!

And the Metro expands...
